With over 35 years in the business of design, Charlotte Moss is known for her timeless aesthetic, layered interiors, Southern warmth and keen eye. She has received numerous honors, including the New York School of Interior Design’s Centennial Medal and the Royal Oak Foundation’s Timeless Design Award. She was named to Elle Décor’s Grand Master List of Top Designers. She is on the advisory board of The New York School of Interior Design, where she holds an honorary doctorate degree.

Moss has designed licensed collections with Century Furniture, Fabricut, Stark Carpet, Pickard, P.E. Guerin, Soicher Marin, IBU Clothing Artemis Design Company and more.

She lectures widely and is a prolific author, having published 11 books to date. Her latest are “Charlotte Moss Flowers” (Rizzoli, 2021) and “Home: A Celebration: Notable Voices Reflect on the Meaning of Home” (Rizzoli, 2021) to benefit No Kid Hungry.

Philanthropy plays an important role in her life. Moss is Emerita Trustee of the Thomas Jefferson Foundation at Monticello and serves on the board of The Bone Marrow Foundation, The Order of Saint John, The Madoo Conservancy, the International Council of Hillwood Estate, Museum and Gardens, and the American Corporate Partners, where she mentors veterans.
The Edward A. Wayne Medal was established in 1971 to honor individuals who have made outstanding contributions or provided exemplary services to Virginia Commonwealth University. The medal is named in honor of Edward A. Wayne, who was chair of the commission that led to the establishment of VCU in 1968 by the Virginia General Assembly. Mr. Wayne served as the university’s first vice rector.

Michele A. Romano (M.D. ’84/M; H.S. ’87/M) is a retired family practice physician who, before pursuing her medical degree, served as an ICU nurse and opened the first community hospital ICU in Fairbanks, Alaska, in 1969. After her residency training, she joined a group practice in Northern Virginia and later started her own practice. Michele served as an assistant clinical professor in the VCU School of Medicine from 1991 until her retirement in 2015.

Donald “Don” J. Romano (M.H.A. ’73/CHP) is a retired health care administrator. After graduation, he held various administrative positions in both for-profit and nonprofit hospitals throughout the Southeast, including MCV Hospital. He was senior vice president at the Greater Southeast Healthcare System in Washington, D.C., before starting his own health care consulting business in Northern Virginia.

Michele and Don are longtime volunteers at VCU and lifetime members of the MCV Alumni Association. Michele serves on the MCV Foundation Board of Trustees and was awarded the Caravati Service Award in 2009. She served on the VCU Board of Visitors, with two years as vice rector; the VCU Health System Authority Board of Directors; and the VCU School of Medicine Advisory Council. Don served as a member of the VCU College of Health Professions Health Administration Alumni Council. The couple generously supports the university, most notably the School of Medicine, the College of Health Professions and the School of Nursing. In 2005, the Romanos established endowed scholarships in medicine and health professions. A year later, they pledged a leadership gift to create two distinguished professorships in nursing, an endowed chair in medicine, and an endowed chair and endowed academic award in health professions.

Michele and Don’s dedication to and support of VCU students, faculty, patients and programs has been exceptional. Their active and devoted service will leave a meaningful and lasting impact on our community for many years to come.

Board of Visitor's Award

The Virginia Commonwealth University Board of Visitors Award recognizes the achievements of an outstanding undergraduate student who represents the distinctive attributes of a VCU student: outstanding academic achievement, leadership and service to the university and the community at large. The recipient of the award will receive a one-year scholarship in the amount equal to in-state tuition and fees.

LauraChioma Jones is a sculpture major with minors in art history and psychology. Her post-baccalaureate plan is to attend graduate school for a Master of Art Therapy. She is an active member in the VCU community through student government (SGA), school sports (rock climbing) and various other groups including Black Art Student Empowerment and Time Warp. She also serves as a resident assistant. In her spare time, she enjoys creating art for herself and the local community. Most recently, four of her murals were installed at the Sankofa Community Orchard. She is a community-based person who adores her family, friends, fish and pit bull.

Academic Costume

The academic costume worn at American college exercises derives from the Middle Ages. The oldest universities of northern Europe, such as Paris and Oxford, grew out of church schools, and both faculty and students were regarded in the Middle Ages as a part of the clergy. They wore clerical habits, largely borrowed from the monastic dress of that day, not just on special occasions but as their regular attire.

The head covering of the academic costume developed from the skull cap worn by the clergy in cold weather to protect the tonsured head. In the universities, the skull cap acquired a point on top, which evolved into a tassel. The bonnet with tassel is still worn by degree holders of European universities. In America, it has been replaced by the familiar mortar board, which still retains the medieval tassel.

The hood (the medieval caputium) was originally a covering worn over the head in bad weather, otherwise dropped on the shoulders as the monk’s cowl. At first it was worn by faculty and students alike, but in the early 16th century it was restricted to graduates, thus becoming the mark of a degree holder. Today, each college has its distinctive hood lining by which its graduates may be recognized in academic processions. Graduates from Virginia Commonwealth University may wear a hood showing a black chevron on gold background.

The gown comes from the medieval robe and seems to have been borrowed from the habit of the Benedictine monks. In the Middle Ages, undergraduates, bachelors and masters could be distinguished by the simplicity or intricacy of their gowns. The doctor’s gown was often furred, which survives today in the ornamentation found on the doctoral gown. Usually the gown is black, but some colleges have gowns of different colors.

The wide velvet borders extending down the front of the doctoral gown, the velvet bars on the sleeves, and the borders of most hoods are colored according to the scholarly field of the wearer.

University Honors and Awards

Honors College

VCU bestows the accolade of “graduation with University Honors” on graduating seniors who have attained distinction through impressive achievement in course work as well as other formal and informal educational experiences. To merit this distinction, students must complete a rigorous honors curriculum, excel in their academic work and submit an academic dossier that reflects their commitment to learning in the best university tradition. Their petition to graduate with University Honors must be approved by the Honors College Council. The medallions worn at Commencement recognize this achievement; this distinction is also noted on the students’ official transcripts and on their diplomas.

The Honor Society of Phi Kappa Phi

Phi Kappa Phi is a national honor society founded in 1897. The Virginia Commonwealth University chapter was established in 1976. The primary objectives of the society are to promote the pursuit of excellence in all fields of higher education and to recognize outstanding achievement by students, faculty and others through election to membership and various awards for distinguished achievement.

Phi Kappa Phi typifies the ideal characteristic of American higher education, for it exists for the dual purpose of recognizing and honoring those students who attain high scholastic achievement and encouraging those students who are capable of doing so.

Phi Kappa Phi is unique because it recognizes scholarship in all academic disciplines and does not restrict membership to a specific field. Its interest and eligibility are extended across all subjects offered at the modern university and, by so doing, the society highlights the importance of appreciating and understanding more than a single limited specialty.

Alma Mater

In March 2016, VCU Alumni’s board of governors approved Virginia Commonwealth University’s first alma mater, “We Gather Here.” Written by Lemont “Monty” Kier, Ph.D., a longtime faculty member, and his son, Andy Kier, a 1990 VCU graduate, the school song honors the university’s commitment to providing students with experiences that they carry with them beyond their years on campus.

“We Gather Here”

Lyrics: Monty Kier        Music: Andy Kier

We gather here, our voices raise,  
of VCU we sing our praise,  
the Black and Gold our colors show,  
diversity and value grow.  
We’ve learned so much beyond each class,  
the joy of friendship will not pass.  
So much in life is mem’ry borne,  
of VCU they’ll not be shorn.  

The mem’ries of a campus walk,  
so many friends, we stop to talk,  
the friendships here were made to last,  
they’re in our minds though years have passed.  
The seasons pass, the years roll by,  
from VCU the reason’s why  
we are enriched from values learned,  
they bring us joy that we have earned.  

Next year again we will be here  
to see our school and give a cheer.  
So VCU keep all that is great,  
you’ve brought us joy that is our fate.  
So come let us sing of VCU,  
with ev’ry verse we will renew  
the mem’ries from our campus time,  
each one embedded in a rhyme.
Dear graduate,

Congratulations! Today marks an amazing milestone in your academic career and in your life. No doubt you have countless friends and family members who supported you and cheered for you along the way.

I know that the memories of your time at VCU will stay with you forever — and your connection to VCU doesn’t end at graduation. You are now part of the ranks of VCU’s thriving alumni community (more than 212,000 alumni strong!) that is here to support you every step of the way — throughout your life moments, graduate school, careers, family and much more.

As a graduate, you have access through VCU Alumni to networking and career services, useful resources and exciting opportunities. Our goal is to provide you with programs and events that connect you to one another and to your alma mater. No matter where life takes you, VCU Alumni is your link for engaging with the university and with your classmates.

My wish for each of you is that you realize your full potential and, in doing so, use your significant talents and energies to support and strengthen your communities, your alumni organization and your university.

I am proud of you and look forward to seeing how you use your talent to make it real in the world beyond our campus.

Go Rams!

Yours for VCU,

Elizabeth Bass (M.S.W.’03/SW)
Assistant Vice President for Alumni Relations
Look around our audience.
You will see an incredible mix of attitudes, styles and stories. Inclusion is our heartbeat and it drives us to tackle difficult challenges others can’t or won’t.

We’re Virginia Commonwealth University — the university FOR Virginia. We do things differently here, because we know that different works. We’re proud of our rankings, but they don’t define us. Rankings don’t change lives, we do.

Now — over 300,000 strong — we offer more than 200 degrees and 20 nationally ranked programs, and we graduate more Pell-eligible and first-generation students than all of our Tier III counterparts in the commonwealth combined. We prove every day that when you come to VCU, you can become anything.

Ask about a favorite project.
Our graduates won’t tell you about an impressive test score. They'll tell you about an experience that made someone’s life better.

As one of Virginia’s top three research institutions, every student has the chance to participate in activities that result in breakthrough work. Our sponsored research has increased 25% since 2018, to $363 million. And our discoveries have led to thousands of patents and successful student startups.

In addition, our VCU Health System is dedicated to ending health care disparities. We are the city’s top hospital and serve as a renowned training facility for future health care leaders. All students receive unique benefits to improve their quality of life, and to make a difference by helping others.

Watch new leaders walk our stage.
Every step moves society closer to the next life-changing solution. Our graduates are trained to make an impact in the world, and they carry that responsibility wherever they go.

We reject traditional thinking and champion the unconventional, setting standards that others follow. We give our students the freedom to rewrite the rule books and the skills to disrupt expectations. We’re pursuing a future that’s built by us. A future that improves learning and health for ALL.
