VCU celebrated the arrival of the Class of 2021 at the New Student Convocation and Spirit Walk.

*Photographs were taken prior to COVID-19.*

Dear Class of 2021:

Virginia Commonwealth University takes pride in our work to educate, research, create, heal and serve. Our students' experience here is relevant not only to what is happening today, but also to whatever may be in the future they help create.

We are proud to celebrate you, the Class of 2021, as you become the newest alumni of VCU. Your success at one of America's nationally premier public research universities signifies that you have done more than complete your courses and receive grades. You are graduating during a challenging time, and I am in awe of your tenacity and resolve to work toward your degree. Your degree means years of hard work and dedication to refining your skills and acquiring new ones. Your dedication to academic excellence will translate well to whatever you choose to do in the future.

For 183 years, your alma mater has focused on preparing students to be creators, educators, healers, innovators and entrepreneurs. As a graduate of VCU, your opportunities are boundless because your potential is limitless. On behalf of the faculty, staff, students and proud alumni of Virginia Commonwealth University, I congratulate you on the remarkable achievement of your Commencement. We are incredibly proud of you and wish you the brightest future possible.

Best wishes,

A handwritten signature in black ink that reads "Michael Rao". The signature is written in a cursive, flowing style.

Michael Rao, Ph.D.

# Academic Costume

---

The academic costume worn at American college exercises derives from the Middle Ages. The oldest universities of northern Europe, such as Paris and Oxford, grew out of church schools, and both faculty and students were regarded in the Middle Ages as a part of the clergy. They wore clerical habits, largely borrowed from the monastic dress of that day, not just on special occasions but as their regular attire.

The head covering of the academic costume developed from the skull cap worn by the clergy in cold weather to protect the tonsured head. In the universities, the skull cap acquired a point on top, which evolved into a tassel. The bonnet with tassel is still worn by degree holders of European universities. In America, it has been replaced by the familiar mortarboard, which still retains the medieval tassel.

The hood (the medieval *caputium*) was originally a covering worn over the head in bad weather, otherwise dropped on the shoulders as the monk's cowl. At first it was worn by faculty and students alike, but in the early 16th century, it was restricted to graduates, thus becoming the mark of a degree holder. Today, each college has its distinctive hood lining by which its graduates may be recognized in academic processions. Graduates from Virginia Commonwealth University may wear a hood showing a black chevron on a gold background.

The gown comes from the medieval robe and seems to have been borrowed from the habit of the Benedictine monks. In the Middle Ages, undergraduate, bachelor's and master's gowns could be distinguished by their simplicity or intricacy. The doctor's gown was often furred,

which survives today in the ornamentation found on the doctoral gown. Usually the gown is black, but some colleges have gowns of different colors.

The wide velvet borders extending down the front of the doctoral gown, the velvet bars on the sleeves, and the borders of most hoods are colored according to the scholarly field of the wearer.

# Recipients of Degrees

---

*Due to time constraints, this program is printed before the final list of degree candidates and final honor status for undergraduate students is determined. This program is based on information available at the time of printing.*

***Therefore, the inclusion or exclusion of the name of a student is not to be taken as an official graduation status of the student.***

*The May Commencement program will include the names of students with an active May graduation application at the time of printing. The December Commencement program will include the names of students with an active August or December graduation application at the time of printing.*

*Only undergraduate students are eligible for honors designations. The honor status of an undergraduate student noted in the program is based on the student's honors designation at the time of printing. Honor designations do not apply to the degrees received by graduate students.*

Virginia Commonwealth University is an equal opportunity, affirmative action university providing access to education and employment without regard to age, race, color, national origin, gender, religion, sexual orientation, veteran's status, political affiliation or disability.

Virginia Commonwealth University is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award Baccalaureate, Master's, doctoral and first professional degrees.

# University Honors and Awards

## Honors College

VCU bestows the accolade of “graduation with University Honors” on graduating seniors who have attained distinction through impressive achievement in course work as well as other formal and informal educational experiences. To merit this distinction, students must complete a rigorous honors curriculum, excel in their academic work and submit an academic dossier that reflects their commitment to learning in the best university tradition. Their petition to graduate with University Honors must be approved by the Honors College Council. The medallions worn at Commencement recognize this achievement; this distinction is also noted on the students’ official transcripts and on their diplomas.

Virginia Commonwealth University is committed to excellence in teaching, research, public service, and patient care. To realize and recognize academic excellence is VCU’s highest priority. Honors College was established to help fulfill this objective by meeting the needs of academically talented undergraduate students.

# Alma Mater

---

In March 2016, VCU Alumni's board of governors approved Virginia Commonwealth University's first alma mater, "We Gather Here." Written by Lemont "Monty" Kier, Ph.D., a longtime faculty member, and his son, Andy Kier, a 1990 VCU graduate, the school song honors the university's commitment to providing students with experiences that they carry with them beyond their years on campus.

## "We Gather Here"

**Lyrics:** Monty Kier      **Music:** Andy Kier

We gather here, our voices raise,  
of VCU we sing our praise,  
the Black and Gold our colors show,  
diversity and value grow.  
We've learned so much beyond each class,  
the joy of friendship will not pass.  
So much in life is mem'ry borne,  
of VCU they'll not be shorn.

The mem'ries of a campus walk,  
so many friends, we stop to talk,  
the friendships here were made to last,  
they're in our minds though years have passed.  
The seasons pass, the years roll by,  
from VCU the reason's why  
we are enriched from values learned,  
they bring us joy that we have earned.

Next year again we will be here  
to see our school and give a cheer.  
So VCU keep all that is great,  
you've brought us joy that is our fate.  
So come let us sing of VCU,  
with ev'ry verse we will renew  
the mem'ries from our campus time,  
each one embedded in a rhyme.

Dear graduate,

Congratulations on joining the ranks of VCU alumni! This personal achievement is a tribute to your hard work and perseverance, often backed by the support and encouragement of family and friends.

As you bring this chapter of your academic career to a close, I hope you will take a moment to recognize the opportunities that your university and alumni organization have provided to prepare you for this next step in your journey. As a graduate, you join a community of more than 200,000 alumni throughout the world who engage with their communities and their alma mater to build on the strong foundation established by our past and present alumni organizations and leaders.

Your relationship with your alma mater can enhance and impact your life long after you graduate. This is an exciting time to become part of VCU Alumni. We welcome all graduates. Our goal is to provide you with programs and events that connect you to one another and to your alma mater. No matter where life takes you, VCU Alumni is a great way to engage with the university and your classmates.

My wish for each of you is that you realize your full potential and, in doing so, use your significant talents and energies to support and strengthen your communities, your alumni organization and your university.

We are proud of you and look forward to seeing how you use your talent to make it real in the world beyond our campus.

# Virginia Commonwealth University

What we now know as Virginia Commonwealth University began as two institutions: the Medical College of Virginia, established in 1838 as the medical department of Hampden-Sydney College, and the Richmond School of Social Economy, founded independently in 1917 and then becoming the Richmond division of the College of William & Mary in 1925.

The Medical College of Virginia gained independence from Hampden-Sydney in 1854 and became state-affiliated in 1860. In 1939, the College of William & Mary changed the name of its Richmond campus to Richmond Professional Institute. RPI became an independent state school in 1962.

In 1967, Edward A. Wayne Sr., president of the Federal Reserve Bank of Richmond, along with city and state leaders recommended the formation of a university using resources from MCV and RPI. With the signature of Gov. Mills E. Godwin Jr., Virginia Commonwealth University came into being in 1968 with Warren W. Brandt as president.

Today, President Michael Rao, Ph.D., is the leader of VCU and VCU Health System. A premier, urban public research university, VCU has garnered \$335 million in sponsored research and ranks 65th in R&D expenditures among public universities by the National Science Foundation. In 2020, U.S. News & World Report ranked more than 20 VCU graduate and first-professional programs among the top 50 in the nation. The School of the Arts, ranked second overall, holds the top ranking among public institutions. Among graduate and first-professional rankings, VCU's nurse anesthesia program is top in the nation. The same publication ranked VCU

Medical Center's state-of-the-art care in more than 200 specialty areas among the best in the nation. A safety-net hospital, VCU Medical Center is the top hospital in the metro area and is the only Level I medical center in Central Virginia that is verified in burn, pediatric and trauma care. Additionally, the medical center is ranked second in the commonwealth as the top place to seek medical care and treatment in areas ranging from organ transplantation and burn healing to head and spinal cord trauma and cancer treatment.

The university has a diverse community with an enrollment of more than 30,000 students from 108 countries in 200 degree and certificate programs — 22 of which are unique to Virginia and serve cross-disciplinary purposes. VCU also employs over 2,250 full-time instructional faculty who are nationally and internationally recognized for their research and instruction across 14 schools and colleges.

With campuses beyond Richmond, VCU students and faculty live and work in locations throughout the commonwealth and the world. For over a decade, students enrolled at VCU School of the Arts Qatar receive the

same world-renowned education and training as students in Richmond. In Charlottesville, the School of Pharmacy's second satellite location for Doctor of Pharmacy students operates at the University of Virginia Medical Center.

Since 2012, both four- and six-year graduation rates have increased by more than 14 percentage points. More than 200,000 VCU alumni live worldwide, leading and positively impacting their communities.

*Congratulations to all!*
