Important Note

Due to time constraints, this program is printed before the final list of degree candidates and final honor status for undergraduate students is determined. This program is based on information available at the time of printing.

For more information on the recipients of degrees, please read the full statement on Page 9.

Dear Class of 2022:

Congratulations to you, the newest alumni of VCU. Earning a degree is not a one-time event, but a years-long process. In your time here, you've not only learned new information and skills – you've learned how to think and process that information. You've gained confidence in yourself and your abilities. Your dedication to academic excellence will translate well to whatever you choose to do in the future.

VCU is dedicated to the true mission of public higher education: to create opportunities for every student who wants to earn a degree. We're preparing students to be creators, educators, healers, innovators and entrepreneurs – and helping shape the next greatest generation of Americans and responsible citizens of the world.

As a graduate of VCU, you are unstoppable – because you have unlimited potential. On behalf of the faculty, staff, students and proud alumni of Virginia Commonwealth University, I congratulate you on your remarkable achievement. As we celebrate your commencement today, we are incredibly proud of you and wish you the brightest future possible.

Best wishes,

A handwritten signature in black ink, reading "Michael Rao". The signature is fluid and cursive, with a large, stylized "M" and "R".

Rabia N. Kamara

In 2021, Rabia Kamara's unique and rich ice cream flavors won her recognition on the Food Network's inaugural season of "Ben & Jerry's" Clash of the Cones." The reality show competition pitted six ice cream confectioners from across the country in a bid to impress Ben & Jerry's ice cream co-founders Ben Cohen and Jerry Greenfield and take home the grand prize. The recognition bolstered business at Kamara's Richmond ice cream shop Ruby Scoops, where Kamara sells her signature ice cream, sorbets, sherbets and baked goods. Doors opened at Ruby Scoops in November 2020, during the height of the pandemic when other businesses were shutting doors, but Kamara hasn't been deterred.

A 2010 graduate of the VCU School of Business and classically trained in French cooking by the L'Academie de Cuisine, Kamara has always known she wanted to bring joy to people through food. Her dream of Ruby Scoops began as a pop-up shop in 2014, when Kamara began selling her creations at events in D.C. and Richmond. Kamara began a Kickstarter campaign in 2020 which allowed her to open the first brick-and-mortar Ruby Scoops.

A Black female business owner, Kamara decided to set up shop in Northside, an historically Black neighborhood experiencing a recent resurgence. Kamara adds to the character of the community and repeat customers have been wowed by off-the-wall ice cream concoctions such as hot honey cornbread, mandarin mojito and Thai basil. Due to demand, Kamara signed the lease on a larger nearby location for Ruby Scoops in July, which allowed her to expand dessert offerings and teach ice cream making classes. In March, Kamara brought more tasty treats to Richmond when she opened Suzy Sno, a New Orleans-style snowball shop, in the historically Black Jackson Ward neighborhood.

Edward A. Wayne Medal

The Edward A. Wayne Medal was established in 1971 to honor individuals who have made outstanding contributions or provided exemplary services to Virginia Commonwealth University.

The medal is named in honor of Edward A. Wayne, who was chair of the commission that led to the establishment of VCU in 1968 by the Virginia General Assembly. Mr. Wayne served as the university's first vice rector.

For 35 years, Patty and Steve Worley have been dedicated to the success of VCU through their exceptional philanthropy and volunteer service, which have made a meaningful and lasting impact on the university.

Patty and Steve's generosity has contributed to the academic competitiveness of the VCU School of Business, and lifted financial barriers to education for many students. In 2015, they endowed the Stephen L. Worley Family Endowed Fund for Teaching Excellence, which helps VCU attract the most talented faculty in their disciplines. Recently, the Worleys made a commitment to help deserving business students through endowing the Worley Family Scholarship. They have also contributed to other areas of the university, including Athletics and the School of Medicine.

Steve is a two-time graduate of VCU. In 1972, he received his undergraduate degree in business management, and in 1974 he graduated with a Master of Science in Business. In 1980, he joined the leadership team of Children's Hospital New Orleans, later serving as its CEO for 28 years. Steve has held a number of volunteer leadership roles at the university; he served on the VCU Board of Visitors for 5 years, was a member of the VCU Health System Authority Board and a trustee on the MCV Foundation.

Patty graduated from University of North Georgia, where she studied math and french. Patty's love for math led to years of volunteering to tutor high school students. She is very active in her church and serves as Financial Secretary. Steve has served on boards across the nation and in Louisiana. Currently, he serves on the Blood Center Board and Children's Hospital Board in New Orleans.

Patty and Steve have two children and five grandchildren. They reside in New Orleans.

2022 Recipients
Patty and Steve Worley

Presidential Medallion

The Presidential Medallion was established in 1984 by the Virginia Commonwealth University Board of Visitors to honor the outstanding contributions of members of the university community. Presented by the president at Commencement, the award recognizes these individuals for extraordinary achievement in learning and commitment to the mission of VCU.

Richard O. Bunce Jr. spent most of his 23 years of service to VCU directing the audit, management advisory services and compliance functions of the university and VCU Health. Detail-oriented and diligent, Bunce improved safety, efficacy and productivity for the university and health system by continuously evaluating and improving organizational policies, practices and procedures. Bunce also developed risk-based audit and compliance plans and directed special projects and investigations. Under Bunce's guidance, VCU Audit and Management Services was named one of the top university audit departments in the country.

To help guide other university professionals, Bunce established VCU's Business Practices Framework to assist departments in the self-assessment and strengthening of business practices at both the central and departmental levels. Prior to his retirement in 2013, Bunce also served as a key adviser to VCU President Michael Rao, a role he also held during the administration of VCU President Eugene P. Trani.

His policy developments and improvements as a senior advisor helped shape the VCU we know today. On behalf of the president, Bunce provided oversight of intercollegiate athletic program operations, and led several initiatives to grow VCU athletics. Bunce chaired the committee to recruit Director of Athletics Ed McLaughlin in 2012 and supported the university's change in athletic conference affiliation to the Atlantic 10. Bunce also represented Dr. Rao in meetings with the Board of Visitors and chaired and participated on several search committees for university vice presidents.

Bunce returned to VCU in several capacities from 2013 to 2020, including research analyst for the Board of Visitors, interim Vice President for Finance, and senior advisor to the Director of Athletics and the President, and special assistant to the Provost.

2022 Recipient
Richard O. Bunce Jr.

Academic Costume

The academic costume worn at American college exercises derives from the Middle Ages. The oldest universities of northern Europe, such as Paris and Oxford, grew out of church schools, and both faculty and students were regarded in the Middle Ages as a part of the clergy. They wore clerical habits, largely borrowed from the monastic dress of that day, not just on special occasions but as their regular attire.

The head covering of the academic costume developed from the skull cap worn by the clergy in cold weather to protect the tonsured head. In the universities, the skull cap acquired a point on top, which evolved into a tassel. The bonnet with tassel is still worn by degree holders of European universities. In America, it has been replaced by the familiar mortar board, which still retains the medieval tassel.

The hood (the medieval *caputium*) was originally a covering worn over the head in bad weather, otherwise dropped on the shoulders as the monk's cowl. At first it was worn by faculty and students alike, but in the early 16th century it was restricted to graduates, thus becoming the mark of a degree holder. Today, each college has its distinctive hood lining by which its graduates may be recognized in academic processions. Graduates from Virginia Commonwealth University may wear a hood showing a black chevron on gold background.

The gown comes from the medieval robe and seems to have been borrowed from the habit of the Benedictine monks. In the Middle Ages, undergraduates, bachelors and masters could be

distinguished by the simplicity or intricacy of their gowns. The doctor's gown was often furred, which survives today in the ornamentation found on the doctoral gown. Usually the gown is black, but some colleges have gowns of different colors.

The wide velvet borders extending down the front of the doctoral gown, the velvet bars on the sleeves, and the borders of most hoods are colored according to the scholarly field of the wearer.

Recipients of Degrees

Due to time constraints, this program is printed before the final list of degree candidates and final honor status for undergraduate students is determined.

This program is based on information available at the time of printing.

Therefore, the inclusion or exclusion of the name of a student is not to be taken as an official graduation status of the student.

The May Commencement program will include the names of students with an active May graduation application at the time of printing. The December Commencement program will include the names of students with an active August or December graduation application at the time of printing.

Only undergraduate students are eligible for honors designations. The honor status of an undergraduate student noted in the program is based on the student's honors designation at the time of printing. Honor designations do not apply to the degrees received by graduate students.

Virginia Commonwealth University is an equal opportunity, affirmative action university providing access to education and employment without regard to age, race, color, national origin, gender, religion, sexual orientation, veteran's status, political affiliation or disability.

Virginia Commonwealth University is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award Baccalaureate, Master's, doctoral and first professional degrees.

Alma Mater

In March 2016, VCU Alumni's board of governors approved Virginia Commonwealth University's first alma mater, "We Gather Here." Written by Lemont "Monty" Kier, Ph.D., a longtime faculty member, and his son, Andy Kier, a 1990 VCU graduate, the school song honors the university's commitment to providing students with experiences that they carry with them beyond their years on campus.

"We Gather Here"

Lyrics: Monty Kier

Music: Andy Kier

We gather here, our voices raise,
of VCU we sing our praise,
the Black and Gold our colors show,
diversity and value grow.
We've learned so much beyond each class,
the joy of friendship will not pass.
So much in life is mem'ry borne,
of VCU they'll not be shorn.

The mem'ries of a campus walk,
so many friends, we stop to talk,
the friendships here were made to last,
they're in our minds though years have passed.
The seasons pass, the years roll by,
from VCU the reason's why
we are enriched from values learned,
they bring us joy that we have earned.

Next year again we will be here
to see our school and give a cheer.
So VCU keep all that is great,
you've brought us joy that is our fate.
So come let us sing of VCU,
with ev'ry verse we will renew
the mem'ries from our campus time,
each one embedded in a rhyme.

Dear graduate,

Congratulations! Today marks an amazing milestone in your academic career and in your life. No doubt you have countless friends and family members who supported you and cheered for you along the way.

I know that the memories of your time at VCU will stay with you forever — and your connection to VCU doesn't end at graduation. You are now part of the ranks of VCU's thriving alumni community (more than 216,000 alumni strong!) that is here to support you every step of the way — throughout your life moments, graduate school, careers, family and much more.

As a graduate, you have access through VCU Alumni to networking and career services, useful resources and exciting opportunities. Our goal is to provide you with programs and events that connect you to one another and to your alma mater. No matter where life takes you, VCU Alumni is your link for engaging with the university and with your classmates.

My wish for each of you is that you realize your full potential and, in doing so, use your significant talents and energies to support and strengthen your communities, your alumni organization and your university.

I am proud of you and look forward to seeing how you use your talent to make it real in the world beyond our campus.

Go Rams!

VIRGINIA COMMONWEALTH UNIVERSITY

We are the UNCOMMON

We are the uncommon who will change the commonplace. The doers unlike any other. Because we didn't come here to conform but to undo the status quo.

We're Virginia Commonwealth University — the university FOR Virginia. As home to more than 300,000, we're a unique mix of styles, stories and attitudes. A top-ranked research university that enrolls and graduates students from all backgrounds and a health system that serves everyone who needs us. Every day, we demonstrate the true power of inclusion and excellence.

We are the UNAFRAID

At VCU, we take the path of most resistance because we are unafraid to do the important work others simply can't or won't. That's how we create impact and that's why we are ranked in the top 25% of global research universities. That's why US News & World Report ranks us as a top hub of innovation. That's why we have the number one hospital in Richmond. But more importantly, that's why

8 out of 10 of our graduates get jobs in their area of study after graduation.

And while we are proud of our ranking and numbers, they don't define us. We measure success one student and one patient at a time.

We are the UNSTOPPABLE

So how do we not only transform the future of higher education and healthcare but also tackle society's greatest challenges? By rejecting traditional thinking. By championing the unconventional. By becoming unstoppable.

We're pursuing a future built by us through \$400 million in research funding, \$1 billion in new campus construction and a \$9.5 billion economic impact on our region. VCU graduates are equipped to make an impact on the world, and they carry that responsibility wherever they go.

This is what it means to be uncommon. To be a RAM. To be from VCU. A world unlike any other.

Congratulations to all!
