VIRGINIA COMMONWEALTH UNIVERSITY

**VCU**

# In a world of the common WE ARE THE UNCOMMON

And we are unlike any university you have ever seen.

We are the university for Virginia. Our community is more than 300,000 strong — each Ram a unique mix of style, story and attitude. Together, we're forging a future that is built by us.

Ignited by the energy of the city, we're ready to lead industries — or disrupt them. We seek out the unexpected, the experimental, the never-been-tried. Here, artists and engineers, doctors and designers come together to reimagine the human experience and tackle the problems of tomorrow. It's this mindset that makes us one of the top 20 most innovative public universities in the country, according to U.S. News & World Report.

We have a drive to discover, to create, to heal. We're a top 50 public research institution and one of the best hospital

systems in the state. Our discoveries are revolutionizing care and treatment locally and globally, from cancer, heart disease and liver disease to mental health, substance use disorders and traumatic brain injury.

At VCU, we don't just accept differences — we celebrate them. We know that our unique backgrounds and life experiences are what drive the university forward. That's one reason VCU has received the prestigious Higher Education Excellence in Diversity Award with a special distinction as a Diversity Champion six times.

VCU isn't what you expect — in all the right ways.

Welcome to a world unlike any other.

Welcome to VCU.

# Important Note

---

*Due to time constraints, this program is printed before the final list of degree candidates and final honor status for undergraduate students are determined. This program is based on information available at the time of printing.*

*Therefore, the inclusion or exclusion of the name of a student is not to be taken as an official graduation status of the student.*

*The May Commencement program will include the names of students with an active May graduation application at the time of printing. The December Commencement program will include the names of students with an active August or December graduation application at the time of printing.*

*Only undergraduate students are eligible for honor designations. The honor status of an undergraduate student noted in the program is based on the student's honor designation at the time of printing. Honor designations do not apply to the degrees received by graduate students.*

Virginia Commonwealth University is an equal opportunity, affirmative action university providing access to education and employment without regard to age, race, color, national origin, gender, religion, sexual orientation, veteran's status, political affiliation or disability.

Virginia Commonwealth University is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award Baccalaureate, Master's, doctoral and first professional degrees.

Dear Class of 2023:

Congratulations to you, the newest alumni of VCU. Earning a degree is not a one-time event but a years-long process. In your time here, you've not only learned new information and skills – you've learned how to think creatively and process that information. You've gained confidence in yourself and your abilities. Your dedication to academic excellence will translate well to whatever you choose to do in the future.

VCU is dedicated to the true mission of public higher education: to create opportunities for every student who works hard to earn a degree. We're preparing students to be creators, educators, healers, innovators and entrepreneurs – and helping shape the next greatest generation of Americans and responsible citizens of the world.

As a graduate of VCU, you are unstoppable – because you have unlimited potential. On behalf of the faculty, staff, students and proud alumni of Virginia Commonwealth University, I congratulate you on your remarkable achievement. As we celebrate your commencement today, we are incredibly proud of you and wish you the brightest future possible.

Best wishes,

# Honorary Doctor of Humane Letters

---

## *2023 Recipient*

Sethuraman Panchanathan,  
Ph.D.

The Honorary Doctor of Humane Letters is Virginia Commonwealth University's highest form of recognition. Presented by the president at Commencement, it recognizes those individuals who have made outstanding contributions to society through scholarship, public service, humanitarianism, science and art.

The Honorable Sethuraman Panchanathan, Ph.D., is a computer scientist and engineer and the 15th director of the National Science Foundation, nominated by the President of the United States and then unanimously confirmed by the Senate on June 18, 2020. The NSF is a \$9.5 billion independent federal agency charged with advancing all fields of scientific discovery, technological innovation and STEM education.

As NSF director, Panchanathan maintains leadership roles on several key inter-agency councils and committees, including serving as co-chair of the National Advisory Council on Innovation and Entrepreneurship and as a member of the White House CHIPS Implementation Steering Council and the White House Gender Policy Council.

A leader in science, engineering and education, Panchanathan has built a distinguished career in higher education and government over three decades. He has designed and built knowledge enterprises that have advanced research innovation, strategic partnerships, entrepreneurship, global development and economic growth.

Panchanathan previously served as executive vice president of the Arizona State University Knowledge Enterprise, where he also was chief research and innovation officer. He was also founder and director of the Center for Cognitive Ubiquitous Computing at ASU. Under his leadership, the university increased research performance fivefold, earning recognition as the fastest growing and most innovative research university in the U.S.

Panchanathan's scientific contributions have advanced the areas of human-centered multimedia computing, haptic user interfaces and ubiquitous computing technologies for enhancing the quality of life for individuals with different abilities, machine learning for multimedia applications and media processor designs. For his scientific contributions, Panchanathan has received numerous awards and honors. He is a fellow of the National Academy of Inventors and the American Association for the Advancement of Science.

Before joining the NSF, Panchanathan served by presidential appointment on the National Science Board, where he was a chair of the committee on strategy. Additionally, he was chair of the council on research of the Association of Public and Land-grant Universities and co-chair of the extreme innovation task force of the Global Federation of Competitiveness Councils.

Panchanathan is married to Dr. Sarada "Soumya" Panchanathan, an academic pediatrician and informatician. They have two adult children, Amritha and Roshan.

# Edward A. Wayne Medal

---

The Edward A. Wayne Medal was established in 1971 to honor individuals who have made outstanding contributions or provided exemplary services to Virginia Commonwealth University. The medal is named in honor of Edward A. Wayne, who was chair of the commission that led to the establishment of VCU in 1968 by the Virginia General Assembly. Mr. Wayne served as the university's first vice rector.

Staunch supporters of VCU and VCU Health, Kathleen and John Luke have made a meaningful and lasting impact on the university and the greater community. Their extraordinary dedication, most notably through volunteer leadership and philanthropic commitments, has helped transform the academic, medical and cultural environments of the Monroe Park and MCV campuses.

John is a former member of the VCU Board of Visitors who twice served as rector, and he also served as a member of the Institute for Contemporary Art at VCU's Campaign Committee. Together, Kathleen and John served on the Make It Real Campaign Committee – the largest fundraising effort in VCU history generated more than \$840 million to support the university.

Kathleen and John also have made significant gifts in support of VCU's School of Business, Massey Comprehensive Cancer Center, Board of Visitors Fund and the Sheltering Arms Institute (a joint venture with VCU Health). Their engagement with the university spans more than 15 years and has directly improved the lives of our students, patients, faculty and other members of the VCU community.

John is the retired chairman and CEO of WestRock Co. in Richmond and a graduate of the Wharton School of the University of Pennsylvania. Kathleen is a former attorney who received her Juris Doctor degree from the Cornell University Law School. The Lukes reside in Richmond and have three children and two grandchildren.

# Academic Costume

---

The academic costume worn at American college exercises derives from the Middle Ages. The oldest universities of northern Europe, such as Paris and Oxford, grew out of church schools, and both faculty and students were regarded in the Middle Ages as a part of the clergy. They wore clerical habits, largely borrowed from the monastic dress of that day, not just on special occasions but as their regular attire.

The head covering of the academic costume developed from the skull cap worn by the clergy in cold weather to protect the tonsured head. In the universities, the skull cap acquired a point on top, which evolved into a tassel. The bonnet with tassel is still worn by degree holders of European universities. In America, it has been replaced by the familiar mortarboard, which still retains the medieval tassel.

The hood (the medieval caputium) was originally a covering worn over the head in bad weather, otherwise dropped on the shoulders as the monk's cowl. At first it was worn by faculty and students alike, but in the early 16th century it was restricted to graduates, thus becoming the mark of a degree holder. Today, each college has its distinctive hood lining by which its graduates may be recognized in academic processions. Graduates from Virginia Commonwealth University may wear a hood showing a black chevron on gold background.

The gown comes from the medieval robe and seems to have been borrowed from the habit of the Benedictine monks. In the Middle Ages, undergraduates, bachelors and masters could be distinguished by the simplicity or intricacy of their gowns. The doctor's gown was often furred, which survives today in the ornamentation found on the

doctoral gown. Usually the gown is black, but some colleges have gowns of different colors.

The wide velvet borders extending down the front of the doctoral gown, the velvet bars on the sleeves and the borders of most hoods are colored according to the scholarly field of the wearer.

# Alma Mater

---

In March 2016, VCU Alumni's board of governors approved Virginia Commonwealth University's first alma mater, "We Gather Here." Written by Lemont "Monty" Kier, Ph.D., a longtime faculty member, and his son, Andy Kier, a 1990 VCU graduate, the school song honors the university's commitment to providing students with experiences that they carry with them beyond their years on campus.

## **"We Gather Here"**

Lyrics: Monty Kier      Music: Andy Kier

We gather here, our voices raise,  
of VCU we sing our praise,  
the Black and Gold our colors show,  
diversity and value grow.  
We've learned so much beyond each class,  
the joy of friendship will not pass.  
So much in life is mem'ry borne,  
of VCU they'll not be shorn.  
The mem'ries of a campus walk,  
so many friends, we stop to talk,  
the friendships here were made to last,  
they're in our minds though years have passed.  
The seasons pass, the years roll by,  
from VCU the reason's why  
we are enriched from values learned,  
they bring us joy that we have earned.  
Next year again we will be here  
to see our school and give a cheer.  
So VCU keep all that is great,  
you've brought us joy that is our fate.  
So come let us sing of VCU,  
with ev'ry verse we will renew  
the mem'ries from our campus time,  
each one embedded in a rhyme.

Dear Graduate:

Congratulations! Today marks an amazing milestone in your academic career and in your life. No doubt you have countless friends and family members who supported you and cheered for you along the way.

I know that the memories of your time at VCU will stay with you forever — and your connection to VCU doesn't end at graduation. You are now part of the ranks of VCU's thriving alumni community (more than 222,045 alumni strong!) that is here to support you every step of the way — throughout your life moments, graduate school, careers, family and much more.

As a graduate, you have access through VCU Alumni to networking and career services, useful resources and exciting opportunities. Our goal is to provide you with programs and events that connect you to one another and to your alma mater. No matter where life takes you, VCU Alumni is your link for engaging with the university and with your classmates.

My wish for each of you is that you realize your full potential and, in doing so, use your significant talents and energies to support and strengthen your communities, your alumni organization and your university.

I am proud of you and look forward to seeing how you use your talent in the world beyond our campus.

Go Rams!

Associate Vice President for Alumni Relations

# YOU ARE UNSTOPPABLE

You've spent the last few years conducting pioneering research, showing unparalleled creativity and trailblazing innovation, and participating in championship athletics — all in a vibrant urban environment. You had an experience at VCU that you couldn't get anywhere else — combining art, science and entrepreneurship with curiosity, passion and a drive to discover what others can't. Or won't. Now you're ready for whatever comes next.

As you graduate today, know you're not leaving VCU behind. You're joining a global network of more than 222,045 Rams who are blazing new trails, uplifting their communities and challenging the status quo.

**You are a VCU alum — from a world unlike any other.**
