VIRGINIA COMMONWEALTH UNIVERSITY

VCU

In a world of the common WE ARE THE UNCOMMON

And we are unlike any university you have ever seen.

We are the university for Virginia. Our community is more than 223,000 strong — each Ram a unique mix of style, story and attitude. Together, we're forging a future that is built by us.

Ignited by the energy of the city, we're ready to lead industries — or disrupt them. We seek out the unexpected, the experimental, the never-been-tried. Here, artists and engineers, doctors and designers come together to reimagine the human experience and tackle the problems of tomorrow. It's this mindset that makes us one of the top 20 most innovative public universities in the country, according to U.S. News & World Report.

We have a drive to discover, to create, to heal. We're a top 50 public research institution and one of the best hospital

systems in the state. Our discoveries are revolutionizing care and treatment locally and globally, from cancer, heart disease and liver disease to mental health, substance use disorders and traumatic brain injury.

At VCU, we don't just accept differences — we celebrate them. We know that our unique backgrounds and life experiences are what drive the university forward. That's one reason VCU has received the prestigious Higher Education Excellence in Diversity Award with a special distinction as a Diversity Champion six times.

VCU isn't what you expect — in all the right ways.

Welcome to a world unlike any other.
Welcome to VCU.

Important Note

Due to time constraints, this program is printed before the final list of degree candidates and final honor status for undergraduate students is determined.

This program is based on information available at the time of printing.

Therefore, the inclusion or exclusion of the name of a student is not to be taken as an official graduation status of the student.

The May Commencement program will include the names of students with an active May graduation application at the time of printing. The December Commencement program will include the names of students with an active August or December graduation application at the time of printing.

Only undergraduate students are eligible for honors designations. The honor status of an undergraduate student noted in the program is based on the student's honors designation at the time of printing. Honor designations do not apply to the degrees received by graduate students.

Virginia Commonwealth University is an equal opportunity, affirmative action university providing access to education and employment without regard to age, race, color, national origin, gender, religion, sexual orientation, veteran's status, political affiliation or disability.

Virginia Commonwealth University is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award Baccalaureate, Master's, doctoral and first professional degrees.

Dear Class of 2024:

Congratulations to all of you, the newest alumni of VCU. You worked hard to earn your degree, something that is not a one-time event, but a years-long process. During your time at VCU, you learned how to think critically, solve problems, be a part of discovering new information and making things happen that only you could make happen—skills that will serve you well.

Your dedication to living a journey committed to excellence will translate to whatever you choose to do in the future. You are all ready for whatever emerges in your lives and careers.

VCU is committed to supporting student success by meeting the changing needs of our students, communities and society. Our graduates are problem-solvers, critical thinkers, and innovators. As a public university and health system, we're bridging gaps between problems and solutions, diseases and cures, the educational world and the professional world.

Now that you are alumni of VCU, I hope you'll stay connected to us, joining more than 223,000 VCU graduates all over the world in our alumni association, as we continue to work for your success.

On behalf of your Virginia Commonwealth University community, congratulations on your remarkable achievement. As we celebrate your commencement today, we are incredibly proud of you and wish you the brightest future possible.

Best wishes,

Honorary Doctor of Humane Letters

2024 Recipient
Gov. Glenn Youngkin

The Honorary Doctor of Humane Letters is Virginia Commonwealth University's highest form of recognition. Presented by the president at Commencement, it recognizes those individuals who have made outstanding contributions to society through scholarship, public service, humanitarianism, science and art.

Born in Richmond and raised in Virginia Beach, Gov. Glenn Youngkin was inaugurated in January 2022 as the 74th governor of Virginia. In addressing the Class of 2024, he joins the company of recent sitting governors to address VCU graduates at Commencement, including Terence R. McAuliffe (2015), Robert F. McDonnell (2011), Timothy M. Kaine (2008), Mark R. Warner (2004), James S. Gilmore III (1999) and George Allen (1997).

In his own education journey, Governor Youngkin attended Norfolk Academy, and as a 6-foot-7-inch captain, he helped lead the Bulldogs to a state basketball championship in 1985 during his senior year. He was a scholarship athlete at Rice University in Houston, where he earned undergraduate degrees in mechanical engineering and managerial studies.

Governor Youngkin earned his MBA from Harvard Business School and was designated a Baker Scholar. After a stint with global management consultancy McKinsey & Co., he joined The Carlyle Group, a Washington-based private equity firm. In his 25 years with Carlyle, he served in numerous leadership roles, including president, chief operating officer and co-CEO.

Governor Youngkin retired from Carlyle in 2020, and he announced his gubernatorial bid in January 2021.

In education, Governor Youngkin has been a champion for parents' rights, students and teachers. He ushered in historic investments in education, raised teacher salaries 12%, renewed Virginia's focus on career and technical education, and implemented the ALL In Virginia plan to tackle persistent learning loss stemming from forced pandemic school closures. Governor Youngkin has supported the expansion of College Partnership Laboratory Schools, in which universities collaborate with school divisions and others to develop innovative public school programs for pre-school and K-12 students. Virginia's first lab school, VCU x CodeRVA, officially launched this year, with VCU's RTR Teacher Residency program partnering with CodeRVA Regional High School in Richmond to deliver comprehensive, computer science-focused education to a diverse student body.

Governor Youngkin and his wife, Suzanne, have been married for three decades, and they have four children. Before moving to the Executive Mansion in Richmond, the Youngkins lived in the Great Falls area of Fairfax County.

Edward A. Wayne Medal

The Edward A. Wayne Medal was established in 1971 to honor individuals who have made outstanding contributions or provided exemplary services to Virginia Commonwealth University. The medal is named in honor of Edward A. Wayne, who was chair of the commission that led to the establishment of VCU in 1968 by the Virginia General Assembly. Mr. Wayne served as the university's first vice rector.

R. Todd Stravitz, M.D., is co-founder of the Stravitz-Sanyal Institute for Liver Disease and Metabolic Health at Virginia Commonwealth University. Dr. Stravitz attended the College of William & Mary and was inducted into Phi Beta Kappa in 1982. He received his medical training at the New York University School of Medicine, where most of his medical education was at Bellevue Hospital in Manhattan, the nation's oldest and largest "safety net" public hospital. In 1986, he went to the University of North Carolina at Chapel Hill for residency in internal medicine, then continued an additional year as chief medical resident.

Dr. Stravitz arrived at VCU in 1990, where he had fellowships in gastroenterology and transplant hepatology. He joined VCU's faculty in 1993, doing research on the hepatic regulation of cholesterol metabolism under Z. Reno Vlahcevic, M.D., and Phillip B. Hylemon, Ph.D.

In 2000, Dr. Stravitz joined the liver transplant program at VCU full time. In 2009, he became medical director of liver transplantation and was promoted to full professor of medicine. He was awarded tenure in 2018.

Dr. Stravitz retired in 2020, having overseen approximately two-thirds of liver transplants in VCU's history. At his retirement, VCU recognized his contributions with the Distinguished Career Professor title. Dr. Stravitz returned to clinical practice in 2022 and is an active member of the VCU Liver Transplant Program, now one of the five busiest in the nation. That year, he co-founded the Stravitz-Sanyal Institute, named for his clinical mentor, friend and senior partner, Arun J. Sanyal, M.D.

Spanning more than 20 years, Dr. Stravitz's clinical research focused on many areas pertaining to liver transplantation, including those from living liver donors, acute liver failure, viral hepatitis and coagulation in patients with liver disease. He has co-authored 170 research papers, 35 review articles and 13 book chapters.

Dr. Stravitz is also president of the Brunckhorst Foundations, created in 1968 by his grandfather. The Brunckhorst Foundations fund organizations for medical research, women's health initiatives, environmental conservation and animal rights, both wild and domestic.

2024 Recipient
R. Todd Stravitz, M.D.

Presidential Medallion

The Presidential Medallion was established in 1984 by the Virginia Commonwealth University Board of Visitors to honor the outstanding contributions of members of the university community. Presented by the president at Commencement, the award recognizes these individuals for extraordinary achievement in learning and commitment to the mission of VCU.

Arun J. Sanyal, M.D., is a professor of medicine, physiology and molecular pathology in the Virginia Commonwealth University Medical Center's Division of Gastroenterology.

At VCU, he is director of the Stravitz-Sanyal Institute for Liver Disease and Metabolic Health, which he co-founded in 2022 with friend and colleague R. Todd Stravitz, M.D.

A faculty member at the School of Medicine since 1989, Sanyal is internationally known for his work in the development of therapeutics for liver disease, which is among the top 10 causes of death in most parts of the world. All major classes of drugs used to treat the condition once known as nonalcoholic fatty liver disease are directly linked to his work.

Sanyal has authored more than 350 articles in publications such as the *New England Journal of Medicine* and the *Journal of Infectious Diseases*. He has been continuously funded by the National Institutes of Health since 1995 and is the principal investigator of four active NIH grants. ScholarGPS, which ranks millions of researchers and their publications based on productivity, impact and quality, has identified Sanyal as the world's No. 2 specialist in liver diseases.

Sanyal serves as chairman of the NIH's NASH Clinical Research Network and the NIMBLE consortium. He was a founding member of the hepatology committee of the American Board of Internal Medicine, and he served as president of the American Association for the Study of Liver Diseases. He also has served on numerous advisory boards to pharmaceutical companies and the liver center at Yale University.

After receiving his medical degree from the All India Institute of Medical Sciences in New Delhi in 1983, Sanyal completed a residency in internal medicine at Texas Tech University Health Sciences Center and then a fellowship in gastroenterology at the Medical College of Virginia (now the VCU School of Medicine) before joining the faculty.

Sanyal is the recipient of the Distinguished Mentorship Award from the American Gastroenterological Association, the Distinguished Scientific Achievement Award from the American Liver Foundation and the Distinguished Achievement Award from the AASLD.

2024 Recipient
Arun J. Sanyal, M.D.

Board of Visitors Award

The Virginia Commonwealth University Board of Visitors Award recognizes the achievements of an outstanding undergraduate student who represents the distinctive attributes of a VCU student: outstanding academic achievement, leadership, and service to the university and the community at large. The recipient of the award will receive a one-year scholarship in the amount equal to in-state tuition and fees.

A first-generation college student from Fairfax, Xavier Lewis is passionate about supporting and empowering underprivileged communities. The Honors College student's work ethic, dependability and organizational skills have been recognized by his peers and professors.

Lewis, the eldest of five siblings, is of African American and Bolivian descent – the son of a first-generation American mother and a Cuban immigrant father. At VCU, he has served as event coordinator for the student organization Developing Men of Color and next year will serve as president.

Among notable accomplishments in that DMC role, Lewis has helped raise attendance at monthly general-body meetings and at the Men of Color Mixer for incoming freshman, which establishes a space for them to build relationships with DMC members and network with other men of color working in their desired fields. This year, Lewis' efforts resulted in a mixer attended by more than 300 men.

Additionally, Lewis has organized and supervised DMC's College Day to benefit youth in the city of Richmond, for which he facilitated the visit of student groups from Thomas C. Boushall Middle School and Miles J. Jones Elementary School. He recently worked in collaboration with VCU RecWell to fund the CPR/AED training for a portion of pre-health students in DMC. He also hosted the first health-focused certification event for DMC – known as "Certification Center" – which offered introductory education on the risks of opioid overdose and addiction, as well as STOP THE BLEED certification.

In other engagements, Lewis is involved with the McNair Scholars Program at VCU, a federal initiative that aims to increase graduate degree awards for students from under-represented backgrounds. He also volunteers through the Prybus InnerStar Fund and uses his Spanish fluency as a translator, bridging language barriers and playing a pivotal role in the holistic development of underprivileged youth in the Dominican Republic. And close to home, Lewis is an assistant coach for Fairfax Police Youth Club basketball.

Board of Visitors Award

The Virginia Commonwealth University Board of Visitors Award recognizes the achievements of an outstanding undergraduate student who represents the distinctive attributes of a VCU student: outstanding academic achievement, leadership, and service to the university and the community at large. The recipient of the award will receive a one-year scholarship in the amount equal to in-state tuition and fees.

Growing up in an underserved community, Niyomi Shah developed a heightened awareness of the economic and societal challenges its members face.

As current president of the VCU Rotaract Club, Shah assists people in need through service projects that support the Richmond community. In that role, her leadership initiatives have included raising funds for Home Again, which helps families transition from homelessness to stable housing, and supporting Project WARM, which provides firewood to families for the winter. Shah also oversaw the donation of handmade blankets to Housing Families First, an organization aimed to help with rapid rehousing and support service.

As president of MedLife at VCU, Shah also gained valuable experience overseas. As part of a medical service learning trip, she worked with the underserved population in Peru's small rural communities near the city of Cusco, helping conduct medical, dental and women's health checkups for more than 450 patients. She also helped plan health education experiences for Peruvians, emphasizing the importance of personal hygiene and annual checkups.

Shah's involvement in VCU's Honors College led her to serve as co-vice president for Collective Corazón, an honors organization dedicated to extending health care to Latinx communities – and helping students embrace and understand different cultural aspects of health care.

In other engagements, Shah works at VCU Health in the Progressive Care Unit, where she provides one-on-one safety observation care and basic direct patient care. Shah also tutors students through Open-Honors Connect, an Honors College partnership with Open High School in Richmond. Additionally, she serves as a teaching assistant for professor Suzanne Ruder's organic chemistry section and as an undergraduate researcher for Dr. Gretchen Neigh's Lab in the School of Medicine.

Academic Costume

The academic costume worn at American college exercises derives from the Middle Ages. The oldest universities of northern Europe, such as Paris and Oxford, grew out of church schools, and both faculty and students were regarded in the Middle Ages as a part of the clergy. They wore clerical habits, largely borrowed from the monastic dress of that day, not just on special occasions but as their regular attire.

The head covering of the academic costume developed from the skull cap worn by the clergy in cold weather to protect the tonsured head. In the universities, the skull cap acquired a point on top, which evolved into a tassel. The bonnet with tassel is still worn by degree holders of European universities. In America, it has been replaced by the familiar mortar board, which still retains the medieval tassel.

The hood (the medieval *caputium*) was originally a covering worn over the head in bad weather, otherwise dropped on the shoulders as the monk's cowl. At first it was worn by faculty and students alike, but in the early 16th century it was restricted to graduates, thus becoming the mark of a degree holder. Today, each college has its distinctive hood lining by which its graduates may be recognized in academic processions. Graduates from Virginia Commonwealth University may wear a hood showing a black chevron on gold background.

The gown comes from the medieval robe and seems to have been borrowed from the habit of the Benedictine monks. In the Middle Ages, undergraduates, bachelors and masters could be distinguished by the simplicity or intricacy of their gowns. The doctor's gown was often furred, which survives today in the ornamentation found on the doctoral

gown. Usually the gown is black, but some colleges have gowns of different colors.

The wide velvet borders extending down the front of the doctoral gown, the velvet bars on the sleeves, and the borders of most hoods are colored according to the scholarly field of the wearer.

University Honors and Awards

Honors College

VCU bestows the accolade of “graduation with University Honors” on graduating seniors who have attained distinction through impressive achievement in course work as well as other formal and informal educational experiences. To merit this distinction, students must complete a rigorous honors curriculum, excel in their academic work and submit an academic dossier that reflects their commitment to learning in the best university tradition. Their petition to graduate with University Honors must be approved by the Honors College Council. The medallions worn at Commencement recognize this achievement; this distinction is also noted on the students’ official transcripts and on their diplomas.

Virginia Commonwealth University is committed to excellence in teaching, research, public service, and patient care. To realize and recognize academic excellence is VCU’s highest priority. Honors College was established to help fulfill this objective by meeting the needs of academically talented undergraduate students.

Alma Mater

In March 2016, VCU Alumni's board of governors approved Virginia Commonwealth University's first alma mater, "We Gather Here." Written by Lemont "Monty" Kier, Ph.D., a longtime faculty member, and his son, Andy Kier, a 1990 VCU graduate, the school song honors the university's commitment to providing students with experiences that they carry with them beyond their years on campus.

"We Gather Here"

Lyrics: Monty Kier Music: Andy Kier

We gather here, our voices raise,
of VCU we sing our praise,
the Black and Gold our colors show,
diversity and value grow.
We've learned so much beyond each class,
the joy of friendship will not pass.
So much in life is mem'ry borne,
of VCU they'll not be shorn.

The mem'ries of a campus walk,
so many friends, we stop to talk,
the friendships here were made to last,
they're in our minds though years have passed.
The seasons pass, the years roll by,
from VCU the reason's why
we are enriched from values learned,
they bring us joy that we have earned.

Next year again we will be here
to see our school and give a cheer.
So VCU keep all that is great,
you've brought us joy that is our fate.
So come let us sing of VCU,
with ev'ry verse we will renew
the mem'ries from our campus time,
each one embedded in a rhyme.

Dear graduate,

Congratulations! Today marks an amazing milestone in your academic career and in your life. No doubt you have countless friends and family members who supported you and cheered for you along the way.

I know that the memories of your time at VCU will stay with you forever — and your connection to VCU doesn't end at graduation. You are now part of the ranks of VCU's thriving alumni community (more than 223,000 alumni strong!) that is here to support you every step of the way — throughout your life moments, graduate school, careers, family and much more.

As a graduate, you have access through VCU Alumni to networking and career services, useful resources and exciting opportunities. Our goal is to provide you with programs and events that connect you to one another and to your alma mater. No matter where life takes you, VCU Alumni is your link for engaging with the university and with your classmates.

My wish for each of you is that you realize your full potential and, in doing so, use your significant talents and energies to support and strengthen your communities, your alumni organization and your university.

I am proud of you and look forward to seeing how you use your talent in the world beyond our campus.

Go Rams!

YOU ARE UNSTOPPABLE

You've spent the last few years conducting pioneering research, showing unparalleled creativity and trailblazing innovation, and participating in championship athletics — all in a vibrant urban environment. You had an experience at VCU that you couldn't get anywhere else — combining art, science and entrepreneurship with curiosity, passion and a drive to discover what others can't. Or won't. Now you're ready for whatever comes next.

As you graduate today, know you're not leaving VCU behind. You're joining a global network of more than 223,000 Rams who are blazing new trails, uplifting their communities and challenging the status quo.

You are a VCU alum — from a world unlike any other.
