VIRGINIA COMMONWEALTH UNIVERSITY

**VCU**

# In a world of the common WE ARE THE UNCOMMON

And we are unlike any university you have ever seen.

We are the university for Virginia. Our community is more than 228,000 strong — each Ram a unique mix of style, story and attitude. Together, we're forging a future that is built by us.

Ignited by the energy of the city, we're ready to lead industries — or disrupt them. We seek out the unexpected, the experimental, the never-been-tried. Here, artists and engineers, doctors and designers come together to reimagine the human experience and tackle the problems of tomorrow.

We have a drive to discover, to create, to heal. We're a top 50 public research institution and one of the best hospital systems in the state. Our discoveries are revolutionizing care

and treatment locally and globally, from cancer, heart disease and liver disease to mental health, substance use disorders and traumatic brain injury.

At VCU, we don't just accept differences — we celebrate them. We know that our unique backgrounds and life experiences are what drive the university forward and make the world a better place.

VCU isn't what you expect — in all the right ways.

Welcome to a world unlike any other.

Welcome to VCU.

# Important Note

---

*Due to time constraints, this program is printed before the final list of degree candidates and final honor status for undergraduate students is determined.*

*This program is based on information available at the time of printing.*

*Therefore, the inclusion or exclusion of the name of a student is not to be taken as an official graduation status of the student.*

*The May Commencement program will include the names of students with an active May graduation application at the time of printing. The December Commencement program will include the names of students with an active August or December graduation application at the time of printing.*

*Only undergraduate students are eligible for honors designations. The honor status of an undergraduate student noted in the program is based on the student's honors designation at the time of printing. Honor designations do not apply to the degrees received by graduate students.*

Dear Class of 2025:

Congratulations to all of you, VCU's newest alumni. Your degree represents the culmination of years of hard work and growth. During your time at VCU, you have mastered how to think critically and how to solve vexing problems. You are graduating from a research university, and have been a part of discovering new information, and you have made things happen that only you could make happen.

You have made VCU a better place.

Whatever you choose to do in the future, your motivation, curiosity and passion will help you achieve your goals. You are ready for whatever emerges in your lives and careers. Great things are coming your way.

VCU is supporting student success by meeting the changing needs of our students, communities and society. Our graduates are innovators and creative thinkers. As a public research university and healthcare system, we are shaping and advancing society through impactful and innovative research.

Now that you are alumni of VCU, we look forward to you staying connected with us, joining more than 228,000 living VCU graduates all over the world in our alumni association, as we continue to work for your success.

On behalf of your Virginia Commonwealth University community, congratulations on your remarkable achievement. As we celebrate your commencement today, we are incredibly proud of you and wish you the brightest future possible.

Best wishes always,

# Honorary Doctor of Humane Letters

---

*2025 Recipient*  
Everett Taylor

The Honorary Doctor of Humane Letters is Virginia Commonwealth University's highest form of recognition. Presented by the president at Commencement, it recognizes those individuals who have made outstanding contributions to society through scholarship, public service, humanitarianism, science and art.

From growing up on the southside of Richmond, Everett Taylor has emerged as a leader in marketing, creativity and entrepreneurship. He is now CEO of Kickstarter, the renowned crowdfunding platform for creative projects, which in 2023 was among Time magazine's 100 Most Influential Companies for trailblazing the future of work and for its global impact in the creator economy.

That year, Taylor was among Ad Age's 40 Under 40 honorees for revamping Kickstarter's brand identity, and he was recognized on the Time 100 Next list for representing a new generation of leadership.

Before joining Kickstarter, Taylor served as chief marketing officer of Artsy, the online marketplace for buying and selling fine art. He was recognized by Forbes as one of the world's most influential CMOs as Artsy experienced record revenue growth and brand awareness.

As a marketing executive in earlier roles, Taylor helped lead on-demand rental car company Skurt and marketing software company Qualaroo to successful acquisitions. He also co-founded GrowthHackers.com, an online community for growth marketers; served as CMO for e-commerce company Sticker Mule; and oversaw growth strategy for new social products for Microsoft.

Taylor's entrepreneurial spirit took hold early. By age 19, he started his first company, EZ Events, which was acquired in 2011. Two years later, he established ET Enterprises, a portfolio of companies that included PopSocial, MilliSense and ArtX. As CEO of PopSocial, he was recognized by Forbes on its 30 Under 30 list in 2018 for his innovation in social media marketing.

In February 2024, Taylor visited VCU, where he noted that "incredible things are happening in the entrepreneurial and innovation community." The da Vinci Center for Innovation hosted a day with Taylor, who engaged with graduate students in the Master of Product Innovation program and listened to pitches from entrepreneurs in the center's Shift Retail Lab.

Taylor has received an honorary doctoral degree from Shaw University and currently serves as a board member of 1stDibs, the prominent online marketplace for extraordinary design.

# Edward A. Wayne Medal

---

The Edward A. Wayne Medal was established in 1971 to honor individuals who have made outstanding contributions or provided exemplary services to Virginia Commonwealth University. The medal is named in honor of Edward A. Wayne, who was chair of the commission that led to the establishment of VCU in 1968 by the Virginia General Assembly. Mr. Wayne served as the university's first vice rector.

A trailblazer in Richmond, Anne Marie Whittemore has built a legacy at VCU and beyond. The renowned attorney has been a volunteer leader and supporter of the university for 40 years, including seven on the VCU Board of Visitors and 16 on the Massey Comprehensive Cancer Center Advisory Board, with one year as chair.

As a Massey board member, Whittemore served on the philanthropy, legislative affairs and board resources committees, playing a key role in developing the board's current strategic plan. She has also been a generous supporter of Massey, the School of Medicine and VCU Health. Today, she expresses that she will accept the Wayne Medal on behalf of the extraordinary Massey volunteers who work tirelessly in the fight against cancer.

Whittemore had a pioneering career as a litigator, leader and mentor of many attorneys in Richmond. She was the first woman hired to practice law at McGuireWoods and became the renowned firm's first female partner in 1977. She led complex commercial litigation matters at the trial and appellate levels and advised on corporate governance. She was the first woman to serve on McGuireWoods' executive committee, and as a longtime chair of the firm's recruiting committee, she worked to attract many of the lawyers who contributed to the firm's growth.

In 2001, Virginia Lawyers Weekly selected Whittemore for inclusion in its Virginia Lawyers Hall of Fame, which honors attorneys who have made an enduring impact throughout the state. Her service to the community includes terms on numerous corporate, nonprofit, educational and law-related boards.

Whittemore holds a bachelor's degree from Vassar College and a J.D. from Yale Law School. She has been awarded honorary doctorates from the University of Richmond and the Citadel.

Whittemore's longtime dedication to Massey and to VCU as a volunteer leader, visionary partner and generous donor has been exceptional. Her devoted service, like that of the many volunteers at Massey, leaves a lasting impact on the VCU community and beyond, especially in her work to realize Massey's vision of a world without cancer.

# Board of Visitors Award

---

The Virginia Commonwealth University Board of Visitors Award recognizes the achievements of an outstanding undergraduate student who represents the distinctive attributes of a VCU student: outstanding academic achievement, leadership, and service to the university and the community at large. The recipient of the award will receive a one-year scholarship in the amount equal to in-state tuition and fees.

The most impactful moments of growth for Abigail “Abby” Akyea have come from facing the challenge and discomfort, of being different. Her experience as an undergraduate student at VCU has helped the daughter of first-generation immigrants from Ghana learn that it’s OK to feel out of place. For Akyea, these moments – being “uncommon” – have fueled her growth and purpose.

Through her commitment, Akyea helps others find their place in the community. Her membership in the National Society of Black Engineers’ Pre-College Initiative has allowed her to show young students who are learning about STEM that they do belong in spaces they might not have imagined. As a community engagement researcher at VCU, Akyea serves as a bridge between Richmond residents and the university, helping to develop strategies for meaningful collaboration and change.

Akyea is also the founder of Abby’s Formula for Impact, a community service initiative dedicated to helping youth gain resources, mentorship and the confidence to be the change-makers of today while developing into the leaders of tomorrow. Through this program, she has led projects such as care-package drives for cancer patients and food donations for homeless youth.

In recognition of her advocacy and leadership, the Fairfax County Board of Supervisors honored Akyea for establishing West Potomac Change, an inclusion initiative at her high school. She also collaborated with Family Dollar on the Doing More campaign to support Boys & Girls Clubs of America, helping raise \$4.5 million and achieving 90% audience engagement. In 2023, Akyea was named the Southeast Youth of the Year for BGCA, representing thousands of youth across the region.

Akyea also has advocated on Capitol Hill for post-secondary opportunities and is engaged in mentorship and leadership programs, including Management Leadership for Tomorrow, a national nonprofit that supports economic mobility. Through all of her work, she strives to create inclusive spaces and inspire young leaders to drive meaningful change.

# Academic Costume

---

The academic costume worn at American college exercises derives from the Middle Ages. The oldest universities of northern Europe, such as Paris and Oxford, grew out of church schools, and both faculty and students were regarded in the Middle Ages as a part of the clergy. They wore clerical habits, largely borrowed from the monastic dress of that day, not just on special occasions but as their regular attire.

The head covering of the academic costume developed from the skull cap worn by the clergy in cold weather to protect the tonsured head. In the universities, the skull cap acquired a point on top, which evolved into a tassel. The bonnet with tassel is still worn by degree holders of European universities. In America, it has been replaced by the familiar mortar board, which still retains the medieval tassel.

The hood (the medieval caputium) was originally a covering worn over the head in bad weather, otherwise dropped on the shoulders as the monk's cowl. At first it was worn by faculty and students alike, but in the early 16th century it was restricted to graduates, thus becoming the mark of a degree holder. Today, each college has its distinctive hood lining by which its graduates may be recognized in academic processions. Graduates from Virginia Commonwealth University may wear a hood showing a black chevron on gold background.

The gown comes from the medieval robe and seems to have been borrowed from the habit of the Benedictine monks. In the Middle Ages, undergraduates, bachelors and masters could be distinguished by the simplicity or intricacy of their gowns. The doctor's gown was often furred, which survives today in the ornamentation found on the doctoral

gown. Usually the gown is black, but some colleges have gowns of different colors.

The wide velvet borders extending down the front of the doctoral gown, the velvet bars on the sleeves, and the borders of most hoods are colored according to the scholarly field of the wearer.

# University Honors and Awards

## Honors College

VCU bestows the accolade of “graduation with University Honors” on graduating seniors who have attained distinction through impressive achievement in course work as well as other formal and informal educational experiences. To merit this distinction, students must complete a rigorous honors curriculum, excel in their academic work and submit an academic dossier that reflects their commitment to learning in the best university tradition. Their petition to graduate with University Honors must be approved by the Honors College Council. The medallions worn at Commencement recognize this achievement; this distinction is also noted on the students’ official transcripts and on their diplomas.

Virginia Commonwealth University is committed to excellence in teaching, research, public service, and patient care. To realize and recognize academic excellence is VCU’s highest priority. Honors College was established to help fulfill this objective by meeting the needs of academically talented undergraduate students.

# Alma Mater

---

In March 2016, VCU Alumni's board of governors approved Virginia Commonwealth University's first alma mater, "We Gather Here." Written by Lemont "Monty" Kier, Ph.D., a longtime faculty member, and his son, Andy Kier, a 1990 VCU graduate, the school song honors the university's commitment to providing students with experiences that they carry with them beyond their years on campus.

## "We Gather Here"

Lyrics: Monty Kier      Music: Andy Kier

We gather here, our voices raise,  
of VCU we sing our praise,  
the Black and Gold our colors show,  
diversity and value grow.  
We've learned so much beyond each class,  
the joy of friendship will not pass.  
So much in life is mem'ry borne,  
of VCU they'll not be shorn.

The mem'ries of a campus walk,  
so many friends, we stop to talk,  
the friendships here were made to last,  
they're in our minds though years have passed.  
The seasons pass, the years roll by,  
from VCU the reason's why  
we are enriched from values learned,  
they bring us joy that we have earned.

Next year again we will be here  
to see our school and give a cheer.  
So VCU keep all that is great,  
you've brought us joy that is our fate.  
So come let us sing of VCU,  
with ev'ry verse we will renew  
the mem'ries from our campus time,  
each one embedded in a rhyme.

Dear graduate,

Congratulations! Today marks an amazing milestone in your academic career and in your life. No doubt you have countless friends and family members who supported you and cheered for you along the way.

I know that the memories of your time at VCU will stay with you forever — and your connection to VCU doesn't end at graduation. You are now part of the ranks of VCU's thriving alumni community (more than 228,000 alumni strong!) that is here to support you every step of the way — throughout your life moments, graduate school, careers, family and much more.

As a graduate, you have access through VCU Alumni to networking and career services, useful resources and exciting opportunities. Our goal is to provide you with programs and events that connect you to one another and to your alma mater. No matter where life takes you, VCU Alumni is your link for engaging with the university and with your classmates.

My wish for each of you is that you realize your full potential and, in doing so, use your significant talents and energies to support and strengthen your communities, your alumni organization and your university.

I am proud of you and look forward to seeing how you use your talent in the world beyond our campus.

Go Rams!

Assistant Vice President for Alumni Relations

# YOU ARE UNSTOPPABLE

You've spent the last few years conducting pioneering research, showing unparalleled creativity and trailblazing innovation, and participating in championship athletics — all in a vibrant urban environment. You had an experience at VCU that you couldn't get anywhere else — combining art, science and entrepreneurship with curiosity, passion and a drive to discover what others can't. Or won't. Now you're ready for whatever comes next.

As you graduate today, know you're not leaving VCU behind. You're joining a global network of more than 228,000 Rams who are blazing new trails, uplifting their communities and challenging the status quo.

**You are a VCU alum — from a world unlike any other.**
