VIRGINIA COMMONWEALTH UNIVERSITY

# VCU

# In a world of the common WE ARE THE UNCOMMON

And we are unlike any university you have ever seen.

We are the university for Virginia. Our community is more than 235,000 strong — each Ram a unique mix of style, story and attitude. Together, we're forging a future that is built by us.

Ignited by the energy of the city, we're ready to lead industries — or disrupt them. We seek out the unexpected, the experimental, the never-been-tried. Here, artists and engineers, doctors and designers come together to reimagine the human experience and tackle the problems of tomorrow.

We have a drive to discover, to create, to heal. We're a top 50 public research institution and one of the best hospital systems in the nation. Our discoveries are revolutionizing

care and treatment locally and globally, from cancer, heart disease and liver disease to mental health, substance use disorders and traumatic brain injury.

At VCU, we don't just accept differences — we celebrate them. We know that our unique backgrounds and life experiences are what drive the university forward and make the world a better place.

VCU isn't what you expect — in all the right ways.

Welcome to a world unlike any other.

Welcome to VCU.

# Edward A. Wayne Medal

The Edward A. Wayne Medal was established in 1971 to honor individuals who have made outstanding contributions or provided exemplary services to Virginia Commonwealth University.

The medal is named in honor of Edward A. Wayne, who was chair of the commission that led to the establishment of VCU in 1968 by the Virginia General Assembly. Mr. Wayne served as the university's first vice rector.

Staunch supporters of VCU and VCU Health, Kathy and Rick Wagoner join today's ceremony in two roles – as recipients, together, of the Edward A. Wayne Medal that honors outstanding contributions and service to VCU, and with Rick further serving as commencement speaker.

For nearly 15 years, the Wagoners have embraced VCU through dedicated volunteer leadership and philanthropic commitment. Kathy and Rick have championed, and continue to champion, wide-ranging fundraising efforts that are creating historic impact. Their work on the steering committee for the Make It Real Campaign for VCU helped the initiative raise nearly \$850 million by the time it closed in 2020. Today, they again serve – this time in the cabinet for the Unlocking Potential campaign, whose \$1.838 billion goal honors the 1838 founding of VCU's Medical College.

Kathy and Rick have thoughtfully supported schools and programs across VCU's Monroe Park and MCV campuses. Reflecting their special affinity for supporting students, they generously created the Wagoner Family Endowed Scholarship in the School of Business. More recently at that school, they made a significant commitment to the new Institute for Free Enterprise.

Rick, a Delaware native who was raised in the Richmond area and graduated from J.R. Tucker High School, enjoyed a 32-year career with General Motors Corp. He retired in 2009 after almost a decade as CEO – the youngest in GM history. Since then, he has been very active as a corporate board member and investor/advisor to startups and early stage companies.

Beyond VCU, the Wagoners have additional strong ties to higher education through Duke University, their undergraduate alma mater. Kathy has served on the board of directors of Duke's Alumni Association. Rick is a former chair of the university's board of trustees and currently serves on the Duke health system's board of directors.

Rick also has served on the VCU Board of Visitors, and he received an honorary doctor of humane letters degree in 2011. That also was the year Rick delivered the commencement address, with today's return engagement recognizing more than a decade of unwavering commitment to VCU.

# Academic Costume

---

The academic costume worn at American college exercises derives from the Middle Ages. The oldest universities of northern Europe, such as Paris and Oxford, grew out of church schools, and both faculty and students were regarded in the Middle Ages as a part of the clergy. They wore clerical habits, largely borrowed from the monastic dress of that day, not just on special occasions but as their regular attire.

The head covering of the academic costume developed from the skull cap worn by the clergy in cold weather to protect the tonsured head. In the universities, the skull cap acquired a point on top, which evolved into a tassel. The bonnet with tassel is still worn by degree holders of European universities. In America, it has been replaced by the familiar mortar board, which still retains the medieval tassel.

The hood (the medieval *caputium*) was originally a covering worn over the head in bad weather, otherwise dropped on the shoulders as the monk's cowl. At first it was worn by faculty and students alike, but in the early 16th century it was restricted to graduates, thus becoming the mark of a degree holder. Today, each college has its distinctive hood lining by which its graduates may be recognized in academic processions. Graduates from Virginia Commonwealth University may wear a hood showing a black chevron on gold background.

The gown comes from the medieval robe and seems to have been borrowed from the habit of the Benedictine monks. In the Middle Ages, undergraduates, bachelors and masters could be distinguished by the simplicity or intricacy of their gowns. The doctor's gown was often furred, which survives today in the ornamentation found on the doctoral

gown. Usually the gown is black, but some colleges have gowns of different colors.

The wide velvet borders extending down the front of the doctoral gown, the velvet bars on the sleeves, and the borders of most hoods are colored according to the scholarly field of the wearer.

## Honors College

VCU bestows the accolade of “graduation with University Honors” on graduating seniors who have attained distinction through impressive achievement in course work as well as other formal and informal educational experiences. To merit this distinction, students must complete a rigorous honors curriculum, excel in their academic work and submit an academic dossier that reflects their commitment to learning in the best university tradition. Their petition to graduate with University Honors must be approved by the Honors College Council. The medallions worn at Commencement recognize this achievement; this distinction is also noted on the students’ official transcripts and on their diplomas.

Virginia Commonwealth University is committed to excellence in teaching, research, public service, and patient care. To realize and recognize academic excellence is VCU’s highest priority. Honors College was established to help fulfill this objective by meeting the needs of academically talented undergraduate students.

# Alma Mater

---

In March 2016, VCU Alumni's board of governors approved Virginia Commonwealth University's first alma mater, "We Gather Here." Written by Lemont "Monty" Kier, Ph.D., a longtime faculty member, and his son, Andy Kier, a 1990 VCU graduate, the school song honors the university's commitment to providing students with experiences that they carry with them beyond their years on campus.

## "We Gather Here"

Lyrics: Monty Kier      Music: Andy Kier

We gather here, our voices raise,  
of VCU we sing our praise,  
the Black and Gold our colors show,  
diversity and value grow.  
We've learned so much beyond each class,  
the joy of friendship will not pass.  
So much in life is mem'ry borne,  
of VCU they'll not be shorn.

The mem'ries of a campus walk,  
so many friends, we stop to talk,  
the friendships here were made to last,  
they're in our minds though years have passed.  
The seasons pass, the years roll by,  
from VCU the reason's why  
we are enriched from values learned,  
they bring us joy that we have earned.

Next year again we will be here  
to see our school and give a cheer.  
So VCU keep all that is great,  
you've brought us joy that is our fate.  
So come let us sing of VCU,  
with ev'ry verse we will renew  
the mem'ries from our campus time,  
each one embedded in a rhyme.

Dear graduate,
