VIRGINIA COMMONWEALTH UNIVERSITY

VCU

In a world of the common WE ARE THE UNCOMMON

And we are unlike any university you have ever seen.

We are the university for Virginia. Our community is more than 233,000 strong — each Ram a unique mix of style, story and attitude. Together, we're forging a future that is built by us.

Ignited by the energy of the city, we're ready to lead industries — or disrupt them. We seek out the unexpected, the experimental, the never-been-tried. Here, artists and engineers, doctors and designers come together to reimagine the human experience and tackle the problems of tomorrow.

We have a drive to discover, to create, to heal. We're a top 50 public research institution and one of the best hospital systems in the nation. Our discoveries are revolutionizing

care and treatment locally and globally, from cancer, heart disease and liver disease to mental health, substance use disorders and traumatic brain injury.

At VCU, we don't just accept differences — we celebrate them. We know that our unique backgrounds and life experiences are what drive the university forward and make the world a better place.

VCU isn't what you expect — in all the right ways.

Welcome to a world unlike any other.

Welcome to VCU.

Important Note

Due to time constraints, this program is printed before the final list of degree candidates and final honor status for undergraduate students is determined.

This program is based on information available at the time of printing.

Therefore, the inclusion or exclusion of the name of a student is not to be taken as an official graduation status of the student.

The May Commencement program will include the names of students with an active May graduation application at the time of printing. The December Commencement program will include the names of students with an active August or December graduation application at the time of printing.

Only undergraduate students are eligible for honors designations. The honor status of an undergraduate student noted in the program is based on the student's honors designation at the time of printing. Honor designations do not apply to the degrees received by graduate students.

Dear Class of 2025:

Congratulations to all of you, VCU's newest alumni! Your degree represents the culmination of years of hard work and growth. During your time at VCU, you have mastered how to think critically, how to approach vexing problems, and how to work with people from lots of perspectives and backgrounds. As graduates of a national public research university, you have been a part of discovering new information, creativity, and innovation, and you have made things happen that only you could make happen.

You have made VCU an even better place.

Whatever you choose to do in the future, your motivation, curiosity and passion will help you achieve your goals. You are ready for whatever emerges in your lives and careers. Great things are coming your way.

VCU is supporting student success by meeting the changing needs of our students, communities and society. Our graduates are innovators, inventors and creative thinkers. As a public research university, we are shaping and advancing society through impactful and innovative research that helps us understand and shape our world.

Now that you are alumni of VCU, we look forward to you staying connected with us, joining more than 233,000 living VCU graduates all over the world in our alumni association, as we continue to work for your success.

On behalf of your Virginia Commonwealth University community, congratulations on this huge milestone. As we celebrate your commencement today, we are incredibly proud of you and wish you the brightest future possible.

Best wishes always,

Honorary Doctor of Humane Letters

2025 Recipient
Timmy Davis

The Honorary Doctor of Humane Letters is Virginia Commonwealth University's highest form of recognition. Presented by the president at Commencement, it recognizes those individuals who have made outstanding contributions to society through scholarship, public service, humanitarianism, science and art.

Though he considers New Orleans to be home, Timmy Davis has Virginia roots that powered three decades of national service.

Born at Quantico and raised across various Marine Corps bases, Davis merged military discipline and diplomatic commitment as a career member of the nation's Senior Foreign Service, achieving the rank of minister counselor. His capstone: serving for three years, from 2022 to 2025, as U.S. ambassador to Qatar, where Virginia Commonwealth University established an arts campus in 1998 – the first American college built in Doha's Education City.

Ambassador Davis served in the Marine Corps from 1993 to 2003 – with stops including the Horn of Africa and Iraq – before he pivoted to the Foreign Service. Among his notable roles was serving as executive assistant to Secretaries of State Michael Pompeo and Antony Blinken. He also served as U.S. consul general in Basra, Iraq, and his other overseas tours stretched from capital cities in Guatemala and Colombia to Australia.

Ambassador Davis' domestic assignments included senior watch officer in the State Department Operations Center, special assistant to Secretary of State Hillary Rodham Clinton, director for Iraq at the National Security Council, deputy chief of staff to the special presidential envoy to counter ISIL, and acting chief of staff in the State Department.

In recognition of his work, Ambassador Davis received the department's Ryan C. Crocker Award for Outstanding Leadership in Expeditionary Diplomacy and the American Foreign Service Association's William R. Rivkin Award for Constructive Dissent. He also received a Distinguished Honor Award and multiple Superior and Meritorious Honor awards.

Ambassador Davis currently is president and partner at Irth Capital Management, a global asset management firm, and is senior advisor at Mavik Capital. He serves on numerous boards, including Qatar Museums.

Ambassador Davis attended the University of Alabama and studied international relations. He speaks Spanish and Arabic.

Edward A. Wayne Medal

The Edward A. Wayne Medal was established in 1971 to honor individuals who have made outstanding contributions or provided exemplary services to Virginia Commonwealth University.

The medal is named in honor of Edward A. Wayne, who was chair of the commission that led to the establishment of VCU in 1968 by the Virginia General Assembly. Mr. Wayne served as the university's first vice rector.

With a commitment that has created an expansive legacy – and a familiar name – at Virginia Commonwealth University and beyond, Jack Cullather has brought purpose and passion to health care, athletics and other realms in the Richmond region.

For 40 years, Cullather has been a volunteer leader and prominent supporter of VCU. The Class of 1966 graduate has served with distinction on the School of Business Alumni Board, the Real Estate Circle of Excellence Board and the MCV Foundation, and his generosity as a benefactor has elevated both campuses as well. Cullather's philanthropy has impacted VCU Athletics, the Massey Comprehensive Cancer Center, and the Schools of Medicine and Business.

His long-standing support for the Rams is embodied in the Cullather Student-Athlete East Wing at the Stuart C. Siegel Center. He also originated the idea for the Chris Cullather Classic, a basketball tournament that has raised significant funds for brain cancer research. And in memory of his son, Cullather established the John C. "Chris" Cullather Memorial Scholarship for students affected by cancer.

That personal experience has powered Cullather's commitment to health care in the Richmond region, with notable attention to cancer patients and their families. He led his family's establishment of the Cullather Brain Tumor Quality of Life Center, which was founded at Bon Secours St. Mary's Hospital in memory of Chris as well as Cullather's wife, Jean. Cullather also co-chaired the fundraising effort for the Bon Secours Community Hospice Center, a free-standing facility that serves cancer patients in a homelike setting.

In recognition of the extraordinary support of VCU, Bon Secours and other organizations in the community, Cullather and his family have been honored with the Enduring Partner Award from the Association of Fundraising Professionals.

After earning his undergraduate degree in economics, Cullather built a long career in real estate development, marked by establishment of the Cullather Realty Company in Richmond.

Cullather resides in Richmond, as do his two daughters: Maureen Cullather Stepanian and VCU alum Maribeth Cullather Carr.

Academic Costume

The academic costume worn at American college exercises derives from the Middle Ages. The oldest universities of northern Europe, such as Paris and Oxford, grew out of church schools, and both faculty and students were regarded in the Middle Ages as a part of the clergy. They wore clerical habits, largely borrowed from the monastic dress of that day, not just on special occasions but as their regular attire.

The head covering of the academic costume developed from the skull cap worn by the clergy in cold weather to protect the tonsured head. In the universities, the skull cap acquired a point on top, which evolved into a tassel. The bonnet with tassel is still worn by degree holders of European universities. In America, it has been replaced by the familiar mortar board, which still retains the medieval tassel.

The hood (the medieval *caputium*) was originally a covering worn over the head in bad weather, otherwise dropped on the shoulders as the monk's cowl. At first it was worn by faculty and students alike, but in the early 16th century it was restricted to graduates, thus becoming the mark of a degree holder. Today, each college has its distinctive hood lining by which its graduates may be recognized in academic processions. Graduates from Virginia Commonwealth University may wear a hood showing a black chevron on a gold background.

The gown comes from the medieval robe and seems to have been borrowed from the habit of the Benedictine monks. In the Middle Ages, undergraduates, bachelors and masters could be distinguished by the simplicity or intricacy of their gowns. The doctor's gown was often furred, which survives today in the ornamentation found on the doctoral

gown. Usually the gown is black, but some colleges have gowns of different colors.

The wide velvet borders extending down the front of the doctoral gown, the velvet bars on the sleeves, and the borders of most hoods are colored according to the scholarly field of the wearer.

Alma Mater

In March 2016, VCU Alumni's board of governors approved Virginia Commonwealth University's first alma mater, "We Gather Here." Written by Lemont "Monty" Kier, Ph.D., a longtime faculty member, and his son, Andy Kier, a 1990 VCU graduate, the school song honors the university's commitment to providing students with experiences that they carry with them beyond their years on campus.

"We Gather Here"

Lyrics: Monty Kier Music: Andy Kier

We gather here, our voices raise,
of VCU we sing our praise,
the Black and Gold our colors show,
diversity and value grow.
We've learned so much beyond each class,
the joy of friendship will not pass.
So much in life is mem'ry borne,
of VCU they'll not be shorn.

The mem'ries of a campus walk,
so many friends, we stop to talk,
the friendships here were made to last,
they're in our minds though years have passed.
The seasons pass, the years roll by,
from VCU the reason's why
we are enriched from values learned,
they bring us joy that we have earned.

Next year again we will be here
to see our school and give a cheer.
So VCU keep all that is great,
you've brought us joy that is our fate.
So come let us sing of VCU,
with ev'ry verse we will renew
the mem'ries from our campus time,
each one embedded in a rhyme.

Dear graduate,

Congratulations! Today marks an amazing milestone in your academic career and in your life. No doubt you have countless friends and family members who supported you and cheered for you along the way.

I know that the memories of your time at VCU will stay with you forever — and your connection to VCU doesn't end at graduation. You are now part of the ranks of VCU's thriving alumni community (more than 233,000 alumni strong!) that is here to support you every step of the way — throughout your life moments, graduate school, careers, family and much more.

As a graduate, you have access through VCU Alumni to networking and career services, useful resources and exciting opportunities. Our goal is to provide you with programs and events that connect you to one another and to your alma mater. No matter where life takes you, VCU Alumni is your link for engaging with the university and with your classmates.

My wish for each of you is that you realize your full potential and, in doing so, use your significant talents and energies to support and strengthen your communities, your alumni organization and your university.

I am proud of you and look forward to seeing how you use your talent in the world beyond our campus.

Go Rams!

YOU ARE UNSTOPPABLE

You've spent the last few years conducting pioneering research, showing unparalleled creativity and trailblazing innovation, and participating in championship athletics — all in a vibrant urban environment. You had an experience at VCU that you couldn't get anywhere else — combining art, science and entrepreneurship with curiosity, passion and a drive to discover what others can't. Or won't. Now you're ready for whatever comes next.

As you graduate today, know you're not leaving VCU behind. You're joining a global network of more than 233,000 Rams who are blazing new trails, uplifting their communities and challenging the status quo.

You are a VCU alum — from a world unlike any other.
